Buying local is crucial to our community. Our restaurants serve locally sourced foods whenever possible. Our Sunday Farmers Markets has the freshest produce and proteins, and awesome home goods and gifts.

Located on the eastern shore of the Door County peninsula, Baileys Harbor has always been a little wild. We have over 6,000 acres of public lands prime for blazing your own trail and reconnecting with nature.

Our sandy beaches give way to the mighty waters of Lake Michigan, ideal for catching air on a kite board, reeling in monster salmon or trout, or discovering shipwrecks and the rocky shoals that claimed them.

Get your history fix by discovering our three lighthouses accessible by foot or boat tours. Get a bird’s eye view by racing your friends on a zip line tour soaring through the tree tops.

Our lodging options range from sleepy lake houses to high end waterfront resorts to bustling downtown motels and inns.

Live music in town every weekend with Friday night Concerts in the Park. Come feel like a local when you spend your time in Baileys Harbor. WE’RE GLAD YOU ARE HERE!

Fun Fact: Baileys Harbor was recently rated Prettiest Town in Wisconsin by Architectural Digest!
