Welcome to Baileys Harbor!

Baileys Harbor is your getaway to Lake Michigan. Reel in a world-class salmon or trout, catch major air while kiteboarding across the harbor or leave it to the pros and watch them from one of our two beaches. Discover our maritime heritage in lighthouses and shipwrecks by land, boat or glass bottom kayak. Find true wilderness in over 6,000 acres of public land at places like The Ridges Sanctuary and Toft Point or soar through the tree tops on a zip line. From our lakes and farms to your table, whether you browse the Sunday Farmer’s Markets, stop at our brewery or winery, or dine at one of our amazing establishments, you will be eating and drinking locally.

We’re glad you are here to explore the wild side!
